

Carlsbad Shores Annual In-House Plan For Kids

Routine dental examinations and professional teeth cleanings are essential to good overall dental health. Professional dental cleanings are an important procedure that are essential for improving your oral hygiene, revitalizing and brightening your smile, and preventing various dental diseases and problems.

At Carlsbad Shores Dentistry, we provide an Annual In-House Plan for patients without dental insurance to maintain a healthy and beautiful smile for many years to come. This plan helps not obligate you to a commercial insurance policy.

The Annual In-House Plan Includes: (Services Valued at over \$955.00)

- **2 Comprehensive Dental Exams With Necessary X-rays**
- **3 General Dental Cleanings (Prophylaxis)**
- **3 Topical Fluoride Treatments**
- **4 Sealants**
- **1 Sonicare Kids toothbrush**
- **30% Off All Other Dental Treatments, Including Ortho Treatment for one year. Discount cannot be combined with any other offers. While in Ortho, patient must have an active In-House plan to keep the discount.**

Please read the following and initial:
